A horizontal number line with tick marks labeled from 1 to 26. Above the line, three numbers are circled: 10, 13, and 18. Brackets above the line connect the pairs (10, 13) and (13, 18).

A hand-drawn graph on lined paper showing a piecewise linear function. The x-axis has tick marks at 12, 14, 15, 17, 21, 22, 24, 25, and 26. The y-axis has tick marks at 3, 10, 13, 18, and 24. The function consists of several line segments: from (12, 12) to (14, 18), from (14, 18) to (17, 24), from (17, 24) to (21, 21), from (21, 21) to (25, 25), and from (25, 25) to (26, 26). There are also points plotted at (11, 10) and (15, 13).

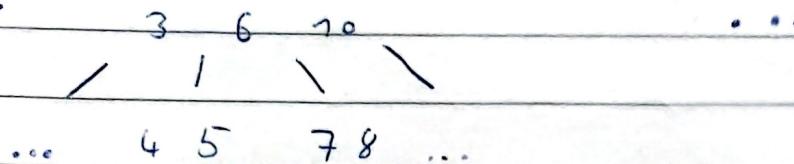

A hand-drawn graph on lined paper. The top row shows points at x-coordinates 13, 18, 23, 28, and 24. The bottom row shows points at x-coordinates 4, 7, 8, 10, and 13. Both rows have a point at y=10.

$$15: \quad \begin{array}{ccccccc} & / & | & \backslash & & / & | & \backslash \\ 3 & 10 & & & & 10 & 10 & 10 \\ 4 & 5 & 7 & 8 & \dots & \dots & \dots & \dots \end{array}$$
